

ORGANIZATIONAL MEMORANDUM

November 16, 1950

FROM: L. Ron Hubbard

TO: DIANETICS

SUBJECT: **AN ADDITION TO STANDARD PROCEDURE**

1. The first addition to Standard Procedure since its issuance in July of this year is generally promulgated herewith:

EVERY SESSION OF DIANETIC PROCESSING MUST BE ENDED BY RUNNING ONE OR MORE PLEASURE MOMENTS BEFORE RETURNING THE PRECLEAR TO PRESENT TIME, RETURNING HIM TO PRESENT TIME, AND THEN USING STRAIGHT WIRE ON THE SESSION OF PROCESSING JUST COMPLETED UNTIL IT IS IN FULL ANALYTICAL RECALL.

2. In cases where this has been consistently overlooked, some hours may be devoted with profit to running pleasure moments, thus recovering attention units lost in actual processing. Further, in such cases, the auditor, using Straight Wire, must start on the first Dianetic session the pc ever had and work forward.

3. Using Straight Wire on processing sessions has three ends: to knock out the locks occasioned by the processing itself, to more firmly fix the pc in present time between sessions, and to break into the pattern of returning in lieu of remembering and rehabilitate the pattern of remembering.
